## Quality Mailshot Initiative

The [Quality Assurance Committee](#) (QAC) reviews Quality Assurance at the University of Malta, supporting the transition towards a quality culture. Part of this task involves showcasing good quality practices underway at UM, or across one or more of its various units (faculties, departments, institutes, centres, schools and directorates).

As from the 2019/2020 academic year, the QAC will be occasionally sending brief mailshots to highlight and raise awareness about such initiatives.

Do you have an example of good QA practice at your unit which you would like us to share? Get in touch with us at **qac@um.edu.mt**
