

## Away Day for freshers

The [Department of Social Policy & Social Work](#) organises a yearly **Away Day for freshers**. This is normally held outside campus and allows for interaction between freshers and departmental academic staff. It provides an opportunity for staff to impart knowledge and skills which might help students better cope with university life.

This experience helps to enhance freshers' transitioning to tertiary education and facilitates student-staff relations. The restrictions required by the COVID-19 pandemic have meant that an equivalent event was held online during the academic year 2020/2021.
