

Donation of publications to UM Library

The [UM Library](#) is committed to support the University's vision by providing adequate academic information resources. While the Library invests heavily in online resources, print monographs published by UM academics remain a gem.

[Prof. Horatio Cr Vella](#), lecturer in the [Faculty of Arts](#), and [Prof. Yosanne Vella](#), lecturer in the [Faculty of Education](#), regularly donate copies of their publications to the UM Library. Being UM researchers as well as Maltese authors, their publications are of national interest and are now held at the Library's [Melitensia Special Collection](#).
