

Dear Student,

Congratulations! You have been accepted to undertake an Erasmus+ mobility.

To help you, please find the below checklist of all the forms and documents which you will need to fill in, have signed by the relevant parties and submitted to the International Office. It is recommended that you submit the pre-departure documents 40 days prior to your departure so that the beneficiary grant agreement and subsequent Erasmus+ grant are received by the start of your mobility. Kindly send these documents via e-mail on erasmus@um.edu.mt.

The documents required after the end of your mobility are to be submitted within 30 days, also via e-mail. The transcript of results (when applicable) is to be submitted within 5-6 weeks.

Good luck!
